**4 MONTHS ONLINE/ DIRECT CLASS
2 MONTHS PRACTICAL TRAINING IN DUBAI**

- ✓ Invest in Yourself
- ✓ Get Certified
- ✓ Stay Ahead!

This course teaches you the aircraft servicing and ground handling basics you need to start a career on the ramp. Ramp handling services ensure the efficient turnaround of aircraft so that flights stay on schedule. This course offers an introduction to ramp services as well as the ground handling standards and safety requirements you need to know to work safely on the ramp. Whether you are new to the industry or a recent recruit, this course provides a solid foundation for further professional development in the field of Airport Ground Operations.
