SECURITY

Pathway programs Aviation Security Awareness course

**4 MONTHS ONLINE/ DIRECT CLASS
2 MONTHS PRACTICAL TRAINING IN DUBAI**

Security is a concern for everyone in the industry, affecting virtually all areas of operation. Whether you work with passengers, cargo or at a security checkpoint, you have a role in keeping the industry safe. This course introduces you to the security measures and regulations you need to know to work responsibly in the industry. It also provides examples of practices you can apply in your workplace to identify and prevent potential security threats.
